Introduction to Assessment

6. CILEx Regulation is responsible for assessing applications to become Chartered Legal Executives in a specialist area. This Handbook is designed to explain the process of applying to become a Chartered Legal Executive (Business). Set out below is a summary of the application process which is followed by more detailed information to which you should refer prior to submitting your application.
7. Before you begin completing the process, you may wish to discuss your application with your employer to ensure that you have their full support, and they are willing to complete/provide the necessary documentation in connection with your application. You will need to agree with your employer (who will act as your supervisor) how you will meet the competencies and outcomes.
8. There are four steps involved in the application process:

Step One - Demonstrate your Business technical knowledge

Complete a CILEx Regulated Qualification or apply for an exemption

Step Two – Apply to have your Qualifying Experience assessed

Complete and submit a Qualifying Experience Application Form, reference and non-refundable assessment fee, to have your experience assessed to confirm you meet the minimum requirement of 2,300 hours

Step Three – Compile a portfolio of your work

Prepare a portfolio to evidence your competence

Step Four – Apply to become a Chartered Legal Executive (Business)

Complete and submit the necessary documentation and non-refundable assessment fee

Step 1

Demonstrate your Business Technical Knowledge

9. CILEx Regulation has defined the technical knowledge requirements for Business in the Business Specialist Pathway (to access, click [here](#)).
10. CILEx Regulation accredits academic qualifications which meet our technical knowledge requirements to become a Chartered Legal Executive (Business).
11. The qualifications that meet these requirements are as follows:
 - CILEX Professional Qualification (CPQ) – please click [here](#);
 - Bloomsbury Institute LLB (Hons) Law and Legal Practice – please click [here](#).
12. If you hold one of these qualifications, you will be able to demonstrate your technical knowledge by providing CILEx Regulation with a certified copy of your qualification certificate (or equivalent evidence).
13. If you do not hold one of these qualifications but hold an alternative qualification, you may still meet the requirements. For more information, please refer to the Recognition of Prior Legal Qualifications Policy (to access, click [here](#)) for more information.

Step 2

Apply to have your Qualifying Experience assessed

What is Qualifying Experience?

14. To acquire 'Qualifying Experience', you will need to be undertaking work that 'contributes to the provision of legal services'. This involves undertaking tasks that require the application of the law, legal practice, or procedure in areas such as:

- taking instructions from clients;
- advising and making recommendations to clients;
- drafting legal documents;
- undertaking legal research;
- corresponding with the parties to a legal matter;
- making decisions in a legal matter based on legal principles or rule of law;
- representing clients in negotiations and submissions.

How much Qualifying Experience do I need?

15. You will need to complete at least 2,300 hours qualifying experience to apply to become a Chartered Legal Executive (Business)

16. A period of 644 hours spent in attendance on either of the following courses will be treated as qualifying experience provided you have passed the course:

- a legal Practice Course (LPC), recognised by the Law Society of England and Wales in connection with qualification as a solicitor; or
- a Bar Training Course (BTC), recognised by the Bar Council in connection with qualification as a Barrister.

17. You cannot be credited twice for the same time period where you have undertaken an LPC/BTC course concurrently with a role that satisfies the definition of 'qualifying experience'.

How do I apply to have my Qualifying Experience assessed?

18. To apply to have your experience assessed, you will need to complete and submit a Qualifying Experience Application Form (to access, click [here](#)) along with:

- a reference from your supervisor; and
- a non-refundable assessment fee.

19. Once you submit your application, we will raise an invoice and provide payment instructions.

20. Please submit your application to qeapplications@cilexregulation.org.uk.

What should my supervisor reference include?

21. Your supervisor will need to be an 'authorised person'. An authorised person is a lawyer qualified in accordance with Section 18 of the Legal Services Act 2007. For example, a Chartered Legal Executive, CILEX Practitioner, Solicitor, Barrister or Licensed Conveyancer.
22. The reference should include your supervisor's details, qualification and professional membership number, and comment on the following:
 - their supervision of your work;
 - your knowledge, experience and duration of work;
 - your ability to work independently;
 - your ability to work competently in the Business area; and
 - your suitability to become a Chartered Legal Executive (Business)

How will my application for Qualifying Experience be assessed?

23. Your application will be assessed by a CILEx Regulation Officer who may write to you to ask for more information regarding your role(s). You will be notified of the Officer's decision in writing.
24. If it is decided that you do not have 2,300 hours of qualifying experience, we will advise you of the following:
 - how much qualifying experience you have completed to date; and
 - when we anticipate that you may have achieved the 2,300 hours required to submit your full application to become a Chartered Legal Executive (Business).
25. If the CILEx Regulation Officer is unable to determine whether you have met the criteria for qualifying experience, your application will be referred to the Admissions and Licensing Committee (ALC) for a decision. You will be notified of the date when your application will be considered by the ALC and notified of their decision in writing.

Step 3

Compile a Portfolio of your work

What is the purpose of the portfolio of my work?

26. An essential part of your application to become a Chartered Legal Executive (Business) is the portfolio of work.
27. The purpose of the portfolio of work is to show that you can:
- identify, research and apply law and legal procedure;
 - communicate with and represent your client effectively;
 - understand your client and their expectations, evaluate their options and provide them with clear legal advice;
 - manage your workload;
 - understand the business environment in which you work;
 - understand and comply with the professional conduct rules and equality legislation and issues;
 - evaluate your professional skills and knowledge;
 - establish effective professional relationships and an understanding of what information can/may be provided to others.
28. You will need to demonstrate this by meeting the competencies and outcomes.
29. It is vitally important for you to ensure that your role enables you to meet the competencies and outcomes. You may wish to discuss this with your supervisor.

How do I demonstrate that I have met the competencies and outcomes?

30. You are required to demonstrate meeting 6 competencies, which are broken down into 26 compulsory outcomes. To do this, you must provide:
- **3 examples** of meeting each outcome in **competency 1**, using 3 different types of documents used in Business activities; and
 - **1 example** of meeting each of the outcomes in **competencies 2 to 6**.
31. In total, you will need to provide **35 examples (36 if you choose to demonstrate meeting optional outcome 6.5)**.
32. These 35 examples (36 if you choose to demonstrate meeting optional outcome 6.5) comprise your portfolio. The competencies and outcomes are set out in pages 14-24 of this handbook. Below each outcome are assessment criteria identifying what needs to be covered in your example for that outcome.
33. For each example you submit to demonstrate achieving each outcome, you need to submit a completed logbook sheet (to access, click [here](#)) and supporting evidence. The outcomes must be achieved within 2 years prior to the date of your application.

What types of evidence can I use?

34. You should collect evidence from your work to demonstrate meeting the outcomes. The evidence that you provide must be copies of your actual work from your case file.
35. You must redact from the evidence all personal information that would identify your client, client company or organisation or any third-party, third-party company or organisation, including colleagues (but excluding a supervisor whose details we already have) to comply with data protection obligations. If submitting emails as evidence, these must be copied and pasted in full onto Word/PDF documents (and must include the sender and recipient details and the date – redacted where necessary). Do not send direct links to the emails or copies direct from your email account.
36. Other non-identifying information should be left in to assist the assessor. The content of the evidence submitted will be shared by CILEx Regulation, the Officer(s) responsible for assessment of the portfolio of work, the Admissions and Licensing Committee (ALC) and any external assessors to whom your portfolio of work may be referred to for assessment and standardisation purposes.
37. You should **not** include as evidence copies of your firm's policies, or codes of practice, or blank/template forms and letters, or statutes (except for outcome 1.1), as these do not evidence how you have met the outcome. Internal file notes prepared purely for file purposes are **not** acceptable as evidence. Examples of acceptable evidence would be tailored copies of letters, telephone attendance notes, client attendance notes and documents/reports you have prepared that have been sent to someone.
38. The evidence must be not older than 2 years prior to the date that you apply to become a Chartered Legal Executive (Business). CILEx Regulation may, in exceptional circumstances only and at their discretion, accept evidence dated 2 to 3 years prior to the date of your application. You should fully explain within your submitted logbook sheet why you have provided evidence that pre-dates your application by more than 2 years (e.g. for reasons of ill-health or maternity). CILEx Regulation will then consider this.
39. The evidence that you provide must be your own work. You must leave in the date, your name and reference where this appears in the evidence. If the evidence does not contain this information, you should provide an explanation in the corresponding logbook sheet.
40. You may use the same piece of evidence to demonstrate meeting more than one outcome within your portfolio. For example, the evidence you submit for outcome 1.1 could be used to demonstrate meeting outcome(s) 2.1, 2.4 and 3.3 if it also demonstrates meeting these outcomes.
41. However, for Competency 1, you must use 3 different pieces of evidence from different Business matters.
42. The evidence that we would expect to see in support of your application should be drawn from matters which relate to (but not limited to):
 - taking instructions from clients (orally and in writing);

- client care letters/emails of advice to clients throughout the transaction;
- drafting and amending documents and forms;
- other applications;
- communications with experts;
- commissioning of reports and opinions;
- communications with clients (letters/emails/attendances/telephone calls); and
- complaint handling correspondence.

How do I complete the logbook sheets?

43. You should complete the logbook sheet (to access, click [here](#)) as follows:

- complete 'name' and 'membership number' boxes;
- insert the number of the outcome being met e.g. example 1.1 (2) or 6.3;
- list the evidence provided e.g. letter to client dated 01/01/2020, email from client dated 01/01/2020;
- fully explain how the outcome has been met **and** how the evidence shows this. You may find it helpful to refer to the outcome and assessment criteria;
- in the 'reflection and evaluation' box, identify the learning achieved through meeting the outcome;
- print the name of the supervisor that supervised the work in the box provided.

44. Once you submit your application, we will provide you and your supervisor with an 'Adobe sign' electronic signature to sign to confirm that the work is your own.

What do I do if I am unable to provide evidence to demonstrate meeting an outcome?

45. Where possible, you should provide a logbook sheet with evidence. Where you do not have evidence on which to rely, you may complete and submit a personal statement (to access, click [here](#)).

46. You may use a maximum of 4 personal statements in your portfolio.

47. The decision whether to accept a personal statement is at the discretion of CILEx Regulation.

How do I complete a personal statement?

48. You should complete a personal statement as follows:

- complete 'name' and 'membership number' boxes;
- insert the number of the outcome being met e.g. example 1.1 (2) or 6.3;
- give the reason why you are unable to provide evidence e.g. it was a verbal conversation, or the case file is no longer accessible;
- fully explain how the outcome has been met by using an example from your work (without evidence);
- in the 'reflection and evaluation' box, identify the learning achieved through meeting the outcome;

- record the date the work was undertaken;
- print the name of the supervisor that supervised the work in the box provided.

49. Once you submit your application, we will provide you and your supervisor with an 'Adobe sign' electronic signature to sign to confirm that the work is your own.

What do I do if I change my employment or role whilst compiling my portfolio of work?

50. If you change your employment or role whilst compiling the portfolio of your work, before leaving your current employment/role obtain from your supervisor:

- a reference (see paragraphs 59-61);
- their consent to us contacting them in the future once you have submitted your application for any confirmations we require;
- their signature on a Supervisor Declaration Form (to access, click [here](#)). On the form, please list the outcome and example numbers that are included in the supervisor's declaration.

51. You will need to retain that portfolio, reference, and supervisor declaration and once you are in your new employment/role, add the remaining logbook sheets and examples required to complete the portfolio.

52. The onus is on you to ensure that all evidence is within 2 years of the date of application.

53. If your situation is not covered by the above or you require further assistance on these points, please contact us by email at wblapplications@cilexregulation.org.uk.

How do I put my portfolio together?

54. We recommend the following:

- Check that you have 35 completed logbook sheets (36 if you choose to demonstrate meeting optional outcome 6.5), with supporting evidence, (with a maximum of 4 personal statements) to demonstrate meeting each outcome;
- Check that each logbook sheet (or personal statement) is correctly numbered, e.g. 1.1(1), 1.4(2), 34;
- Save all the documents as PDFs;
- Save the whole portfolio as one PDF (beginning 1.1(1) and ending 6.4 (or 6.5 if submitting the optional outcome)). The document should not be more than 10GB;
