

APPLICATION AMENDMENT FEES 2021

The entity application fee covers the assessment of all Approved Manager and Compliance Manager applications made at the time of initial entity application.

Where you make an additional or replacement application for a person to become an Approved Manager then there is an assessment fee of £80.

Where you make an additional or replacement application for a person to become a Compliance Manager for either practice management or accounts management then there is an assessment fee of £80.

If the application is to become a Compliance Manager for both practice management and accounts management then the fee is £160.
