Introduction

CILEx Regulation is responsible for assessing Fellowship applications made by individuals registered as a CILEX Member – Advanced Paralegal.

This Handbook is designed to explain the process of applying for Fellowship via the Work Based Learning Scheme. Set out below is a summary of the application process, which is followed by more detailed information to which you should refer before submitting your application.

Before you begin completing the process you may wish to discuss your application for Fellowship with your supervisor to ensure that you have their support and that they are willing to complete the necessary documentation in connection with your application. You may wish to refer your supervisor to the “Information for Supervisors” section of this Handbook. You will need to discuss with your supervisor how you will meet the Work Based Learning Outcomes. There is an optional Development Plan at the back of the Handbook which may assist you.

There are three main steps involved in completing the process

1. Apply to have your Qualifying Experience assessed

Complete and submit a Qualifying Experience Application Form, reference, and a non-refundable assessment fee, to have your experience assessed to confirm that you;

- how much Qualifying Experience you have completed; and
- when you may be eligible to apply for Fellowship.

2. Compile a portfolio of your work

Prepare a portfolio of work, in readiness for applying for Fellowship.

3. Apply for Fellowship

To apply for Fellowship, you will need to complete and submit for assessment;

- a Work Based Learning Application Form,
- portfolio of your work,
- a reference and
- a non-refundable assessment fee.

Qualifying Experience

The first step in the process to apply for Fellowship is to have your experience assessed to ensure it meets the Qualifying Experience requirements.

Set out below is the eligibility criteria for applying for Qualifying Experience and guidance on how to apply to have your experience assessed.

What is Qualifying Experience?

To acquire 'qualifying experience' you will be undertaking work that 'contributes to the provision of legal services'. This involves undertaking tasks that require the application of the law, legal practice, or procedure in areas such as:

- taking instructions from clients
- advising and making recommendations to clients
- drafting legal documents
- undertaking legal research
- corresponding with the parties to a legal matter
- making decisions in a legal matter based on legal principles or rule of law
- representing clients in negotiations and submissions.

A period of 644 hours spent in attendance on either of the below courses will be treated as qualifying experience provided you have passed the course:

- a Legal Practice Course (LPC), recognised by the Law Society of England and Wales in connection with qualification as a solicitor; or
- a Bar Training Course (BTC), recognised by the Bar Council in connection with qualification as a Barrister.

You cannot be credited twice for the same time period, where you have undertaken an LPC/BTC course concurrently with a role that satisfies the definition of 'qualifying experience'.

How much Qualifying Experience do I need?

To be eligible to apply for Fellowship, you will need to complete at least 2,300 hours qualifying experience and have served at least 1 year in the Graduate or CILEX Member – Advanced Paralegal grade of membership.

How do I apply to have my Qualifying Experience assessed?

To apply to have your experience assessed, to confirm whether you are in qualifying experience and how much you have, you will need to submit the following to geapplications@cilexregulation.org.uk:

- A fully completed original Qualifying Experience Application Form;
- A reference from your supervisor; and
- A non-refundable assessment fee.

What should the supervisor reference include?

You should submit a reference from your supervisor in support of your application. The reference should be an original, on headed paper and signed and dated by your supervisor. The reference should include your supervisor's name and qualification, and they should comment on the following:

- your knowledge, experience and duration of your work;
- your ability to work independently;
- your ability to work competently in your area of practice; and
- your suitability for Fellowship.

How will my application for Qualifying Experience be assessed?

Your application will be assessed by us. We may write to ask you for more information regarding your roles. Once we have received all of the information required to reach a decision, you will be notified in writing of that decision. You will be advised of the following:

- how much qualifying experience you have completed to date; and
- when you can apply for Fellowship via the Work Based Learning Scheme.

If we cannot determine whether you have met the criteria for qualifying experience, your application will be put before the Admissions and Licensing Committee (ALC) for a decision. The ALC meet approximately every 6 to 8 weeks. You will be notified of the date upon which your application will be heard by the ALC and we will write to you to notify you of their decision.

What do I do if I change my role prior to preparing my Work Based Learning portfolio?

If you change your role prior to preparing your portfolio, please see **page 14** which sets out what you will need to do.

Compiling a Portfolio

Once it has been confirmed that you have been undertaking qualifying experience, you may wish to begin compiling your portfolio in readiness for applying for Fellowship.

Please note that the evidence you rely on in your portfolio should be dated within 2 years prior to the date of your application for Fellowship.

The purpose of the portfolio is to show that you can:

- identify, research and apply law and legal procedure
- communicate with and represent your client effectively
- understand your client and their expectations, evaluate their options and provide them with clear legal advice
- manage your workload
- understand the business environment in which you work
- understand and comply with professional conduct rules and equality legislation and issues
- evaluate your professional skills and knowledge
- establish effective professional relationships and an understanding of what information can/may be provided to others.

You will need to demonstrate this by meeting the Competencies and Outcomes.

Whilst CILEx Regulation will confirm whether you have undertaken work that satisfies the definition of qualifying experience, it is for you to ensure that your role enables you to meet all of the Outcomes. You may wish to discuss this with your supervisor.

What are the Competencies and Outcomes?

In order to demonstrate the above, you are required to meet 8 Competencies, which are broken down into 27 Outcomes. You should provide **2 examples** of meeting each of the **27 Outcomes** (except for Outcomes 4.2, 4.3, 5.1, 5.2, 6.3, 7.1 and 7.2 which only need to be met once). In total you will need to provide **47 examples**.

These 47 examples comprise your portfolio. The Competencies and the Outcomes are set out at pages **17 to 24**. Below each Outcome are bullet points indicating how the Outcome may be achieved. Please read these carefully to ensure you meet the Outcome.

For each example you submit to demonstrate achieving an Outcome, you will need to submit a **completed logbook sheet** and **supporting evidence**. The Outcomes should be achieved whilst you are undertaking work that satisfies the definition of qualifying experience and within 2 years prior to the date of your application.

You should provide 2 different examples of meeting an Outcome, rather than providing 2 examples of the same type (e.g. you should not provide 2 examples of applying the same piece of law for Outcome 1.1, or 2 examples of giving the same type of legal advice for Outcome 3.3). Otherwise, we may ask you to provide different examples.

How do I complete the logbook sheets?

- You should fully explain in the logbook sheet how you have met the Outcome **and** how the evidence shows that you have met Outcome. The evidence you provide simply supports what you say in the logbook sheet.
- You should complete the logbook sheet as follows:

Box 1- should show the number of the Outcome being met e.g. Example 1.1 (1), 1.1 (2)

Box 2- should list the evidence being provided e.g. Letter to client dated 01.01.2017, email from client dated 01.01.2017

Box 3- should fully explain how the Outcome has been met and how the evidence supports this. You may find it helpful to refer back to the Outcome and bullet points

Box 4- should be used to reflect and evaluate the learning achieved through meeting the Outcome

Box 5- should be the date you completed the work

Box 6 -should include the name of your supervisor for the work being relied upon as evidence

- Logbook sheets should be typed or, if handwritten should be completed in black ink using block capitals.
- A logbook sheet template can be found at the back of this Handbook and on our website (www.cilexregulation.org.uk). We have also developed our week-by-week guidance to help you plan your work when compiling your Work Based Learning portfolio and to give examples of completed logbook sheets.

What supporting evidence do I need?

- You should collect evidence from your work to demonstrate meeting the Outcomes.
- The evidence that you provide should be actual photocopies of your work from your file. Copied and pasted evidence is not acceptable.
- You should not include as evidence copies of your firm's policies, or codes of practice, or blank/template forms and letters, or statutes (except for Outcome 1.4), as these do not evidence how you have met the Outcome. Internal file notes or notes prepared for your own purpose are not acceptable as evidence. Examples of acceptable evidence would be photocopies of letters, telephone attendance notes, client attendance notes and documents/reports you have prepared.
- The evidence should not be older than 2 years prior to the date that you apply for Fellowship. CILEx Regulation may, in exceptional circumstances only and at their discretion, accept evidence dated 2 to 3 years prior to the date of your application. You should fully explain within your logbook sheet why you have provided evidence that predates your application by more than 2 years, e.g. for reasons of ill-health or maternity leave. CILEx Regulation will then consider this.
- You should rely on your own work as evidence. Please leave in the date, your name and reference where this appears within the evidence. If the evidence does not contain this information you should provide an explanation in the logbook sheet.
- Please redact from the evidence all personal information that would identify your client or any third party in order to comply with Data Protection obligations. Other non-identifying information should be left in to assist the assessor. The content of evidence provided will be shared by CILEx Regulation and the Officers responsible for assessment of the portfolio with the Admissions and Licensing Committee and any external assessor to whom the portfolio may be referred to for assessment and standardisation procedures.
- You may use the same piece of evidence to demonstrate meeting more than one outcome within your portfolio. For example, the evidence you submit for Outcome 1.1. could be used to demonstrate meeting Outcome(s) 2.1, 2.5 and 3.3, where it also demonstrates meeting these other outcome(s).

- However, where an Outcome requires two examples, you should use 2 different pieces of evidence ideally from different matters.

When can I use a personal statement?

Where possible you should provide a logbook sheet with evidence. Where you do not have evidence on which to rely you may complete and submit a personal statement. If you submit a personal statement:

- You should provide an explanation as to why you are unable to provide evidence from your file. For example, it was a verbal conversation or you no longer have access to the file.
- You should fully explain how you have met the Outcome, using a real example from your workload, but without providing the evidence.
- You and your supervisor will be asked to sign a declaration to confirm that the example provided is your work.
- You may use a maximum of 5 personal statements in total in the portfolio and no more than 1 per Outcome.
- You should complete the personal statement as follows:

Box 1- should be numbered with the number of the Outcome being met (e.g. Example 1.1 (1), 1.1 (2))

Box 2- should explain the reason why you are providing a personal statement rather than a logbook sheet with evidence

Box 3- should fully explain how you have met the Outcome using an example from your work. You may find it helpful to refer back to the Outcome and bullet points

Box 4- should be used to reflect and evaluate the learning achieved through meeting the Outcome

Box 5- should be the date you completed the work not the date of the logbook sheet

Box 6- should include the name of your supervisor for the work being relied upon in the example

- Personal statements should be typed or, if handwritten should be completed in black ink using block capitals.
- A personal statement template can be found at the back of this Handbook and also on our website (www.cilexregulation.org.uk).

- The decision to accept the personal statement is at the discretion of CILEx Regulation.

How do I put my portfolio together?

We recommend the following approach:

- Check that you have 47 logbook sheets (including up to 5 personal statements)
- Check that each logbook sheet is correctly numbered, e.g. 1.1 (1), 1.1 (2) etc. up to the last example 8.2 (2)
- Place the evidence for each example **behind** the relevant logbook sheet
- Place the examples in order, in one bundle. Then number the bundle from beginning to end. Attach the portfolio with a treasury tag/rubber band. You may wish to divide each Outcome with a divider (optional). Do not staple them, place them in a ring-binder or any other binding or wallet.

What do I do if I change my role whilst compiling my portfolio?

If you change your role whilst compiling your portfolio, please see **page 14** which sets out what you will need to do.

Applying for Fellowship

Once you have undertaken qualifying experience and eligible to apply (**see pages 4-6**) and you have completed your portfolio (**see pages 7-11**) you should apply for Fellowship. To do this you should submit:

- your original completed Work Based Learning Application Form
- a reference from your supervisor
- your portfolio
- a copy of the letter from us confirming your qualifying experience
- the non-refundable assessment fee. The fee can be paid by BACS transfer or credit or debit card over the telephone.

Please submit your application to us by email to:

wblapplications@cilexregulation.org.uk

Please keep a complete copy of your portfolio. We do not return portfolios or provide photocopies/scanned versions of the portfolio.

The Work Based Learning application form can be found on our website www.cilexregulation.org.uk

What should the reference include?

You should submit a reference from your supervisor in support of your application (unless the reference you submitted with your qualifying experience application is dated less than 6 months prior to the date of your Fellowship application, in which case you can submit a photocopy of that reference). The reference should be an original and on headed paper. It should be dated and signed by your supervisor.

The reference should include your supervisor's name and qualification. They should comment on the following:

- Your knowledge, experience and duration of your work;
- Your ability to work independently;
- Your ability to work competently in your area of practice; and
- Your suitability for Fellowship.

How will my application for Fellowship be assessed?

Once the non-refundable assessment fee has been processed by CILEx your application will be passed to us and assessed in chronological order. You will be sent an acknowledgment letter providing you with information about the process and estimated timescales for assessment.

If your application is approved we will notify you in writing and you will be admitted as a Fellow.

If your application is not approved, we will notify you in writing and request that you provide further information to support your application. Once we receive this information it will be assessed and you will be notified in writing of the decision.

If we cannot determine whether you have met the criteria for admission as a Fellow, then your application will be referred to the Admissions and Licensing Committee (ALC) for a decision. The ALC meet approximately every 6 to 8 weeks. You will be notified of the date upon which your application is to be heard by the ALC and we will write to you to notify you of their decision.

Reasonable Adjustments

Applicants with disabilities may request appropriate reasonable adjustments to the application process and are asked to contact CILEx Regulation to discuss their needs.

What do I do if I change my role?

Changing your role prior to preparing your Work Based Learning portfolio

If you change your role prior to preparing your Work Based Learning portfolio, you should apply to have your new role assessed for qualifying experience once you have settled into your new role. This should be done by completing and submitting a new qualifying experience application form, together with a reference from your new supervisor and any assessment fee.

Changing your role whilst preparing your Work Based Learning Portfolio

If you change your role once you have had your qualifying experience assessed, and whilst compiling your portfolio, you are advised to:

1. Submit your partially completed portfolio to us for assessment **before** changing your role. This should be submitted together with
 - a covering letter;
 - a partially completed Outcomes checklist grid (which can be found in the Work Based Learning Application Form); and
 - the non-refundable assessment fee.

We will then assess it and notify you in writing of the outcome. If you remain in this role until your portfolio is assessed, then you will be able to amend/replace any examples that you are required to before you leave. Otherwise, you will have to replace with new examples from your new role (provided your new role is deemed to be qualifying experience, see paragraph below).

2. Apply to have your new role assessed for qualifying experience once you have settled in, by submitting
 - a qualifying experience application form;
 - a reference from your new supervisor; and
 - the non-refundable assessment fee.

Once your new role has been assessed and it is deemed to be qualifying experience, you should continue to collect evidence and complete the outstanding logbook sheets from your new role to meet the remaining Outcomes.

If your situation is not covered above and you require further assistance on these points please contact CILEx Regulation by emailing info@cilexregulation.org.uk
