

Board Member Gifts and Hospitality Register 2018

In 2018 there were no gifts and hospitality declared by Board members.

The upper limit on the value of gifts, which may be accepted by members of the Board, is set at £25. Board Members should normally refuse to accept any gift offered to them personally unless it is of negligible value or is a promotional item of a value under the £25 ceiling. Presentational items may be accepted by the Chief Executive who will keep a register of such gifts and ensure that they are displayed or used appropriately by CILEx Regulation/CILEx.
