

ANNEX 6: CHARTERED LEGAL EXECUTIVE (PROBATE & PRIVATE CLIENT) OR CILEx PRACTITIONER (PROBATE & PRIVATE CLIENT)¹

There are two available routes that individuals can take to be authorised to practise probate independently.

Individuals seeking to be authorised as a Chartered Legal Executive (Probate & Private Client) must follow the Chartered Legal Executive route to qualification.

Alternatively, an individual may complete the knowledge requirements specific to becoming a CILEx Practitioner (Probate & Private Client) (for stage 1 highlighted in grey + stage 2), in which case they will be authorised as a CILEx Practitioner (Probate) and not a Chartered Legal Executive.

The technical knowledge requirements are set out below and must be coupled with the general qualification route to Chartered Legal Executive status. Where knowledge outcomes have been met as part of the route to qualification as a Chartered Legal Executive, this need not be repeated.

In addition to demonstrating this knowledge, individuals must also demonstrate the requirements set out in the competence framework, contextualised for their area of practice.

Chartered Legal Executive and CILEx Practitioner requirements should be set and assessed at Level 6 as a minimum
