(each a "Party", together the "Parties").

1. Background

- (a) The parties to this Memorandum of Understanding (MoU) are CILEX, CILEx Regulation and ACCA. It provides for the establishment of a mutual co-operation, co-ordination and the sharing of information between the Parties.
- (b) Recognising the value of promoting mutual co-operation for the advancement of their respective members and the accountancy and tax and legal professions, CILEX, CILEx Regulation and ACCA agree to the following terms as set out below.

2. Purpose

Regulation of CILEX Practitioner (ACCA Probate) individuals and CILEX-ACCA firms

- (a) The purpose of this MoU is to provide a framework for co-operation, co-ordination and the sharing of information between CILEX, CILEx Regulation and the ACCA. The operation of this MoU will:
 - i. Assist with regulatory work in the public interest
 - ii. Ensure consumers fully understand the regulatory environment
 - iii. Enable CILEx Regulation and the ACCA to co-operate to help prevent and/or take action against dishonesty and/or serious misconduct

Other purposes

- (b) Except where explicitly stated otherwise, this MoU sets out the understanding between the Parties without any intention to create legal relations, rather in the spirit of mutual cooperation. Any collaborative ventures that may bind the Parties are subject to separate contractual arrangements. The purpose of this

MoU is to explore opportunities for collaboration to their mutual benefit, to set out the respective roles and responsibilities of the Parties in working cooperatively to further each other's and their mutual interests.

- (c) No funding will be required from either Party except as mutually agreed from time to time. The Parties agree that all financial arrangements will be negotiated for each specific case prior to commencement of the activity and will depend on the availability of funds.

3. Duration and Termination

- (a) This MoU will be deemed to have come into force and effect on the Commencement Date (recorded at the top of this MoU) and will continue for a period of three (3) years from that date, unless terminated earlier. The parties agree to review this MoU annually. This MoU may be terminated at any time during its term by either ACCA or CILEx Regulation upon three (3) months' prior written notice to the other.
- (b) Any changes to this MoU that are agreed will be confirmed in writing by the parties and incorporated into a revised MoU.

4. Legal Status and Effect

- (a) Subject to clause [10(l)] below, neither CILEX, CILEx Regulation nor the ACCA will incur any legal liability arising solely from non-compliance with this MoU and nothing in this MoU shall be construed as requiring CILEX, CILEx Regulation or the ACCA to take any action which would otherwise be prohibited by law. The MoU does not create any legal right or obligation by any third party against either party and nor does it fetter the discretion of either party in its exercise of its work. Nevertheless, CILEX, ACCA and CILEx Regulation are genuinely committed to pursuing the aims and purposes of this MoU in good faith and intend to act in accordance with its terms.

REGULATION OF CILEX PRACTITIONER (ACCA PROBATE) INDIVIDUALS AND CILEX-ACCA FIRMS

Sections 5 – 9 of this MoU come into force at the point of transfer of ACCA individuals and firms into CILEx Regulation

5. Duplication of Effort and Resolution of Conflict

Duplication of effort

- (a) In order to ensure effective working, CILEx Regulation and ACCA will meet periodically in order to discuss the general progress of ongoing investigations, significant developments or issues of mutual interest. Where possible and in appropriate cases, CILEx Regulation and ACCA will co-operate in the course of

investigations or issues arising with a view to avoiding duplication of investigative work in order to better deliver their respective functions.

Resolution of conflict

- (b) Any issues or difficulties will be resolved through discussions between CILEX Regulation and ACCA. Where issues or difficulties arise, these need to be fully documented in a format readily understood by a third party. Where necessary, issues or difficulties will be referred to senior management in the respective organisations for resolution.
- (c) Provisions addressing regulatory conflict specifically and how it should be handled are set out in the CILEx Regulation-ACCA Handbook 2021.

 - iii. Common technical and security arrangements and policies, including the transmission of and access to the shared information.
 - iv. Data security policies and staff training.
- (c) The parties agree to share information using secure email and to store the shared information in a secure manner in accordance with the parties' retention policies.

9. Principles for regulation of CILEX Practitioner (ACCA Probate) Individuals and CILEX-ACCA Firms

- (a) The regulatory objectives set out in section one of the Legal Services Act 2007 establish the key guiding principles of this MoU. Further principles are set out below to assist in a fuller understanding of how the parties will cooperate and collaborate.

- (d) The parties agree to use the shared information, for proper purposes only, such as regulatory, disciplinary, contractual or other legal, enforcement or regulatory investigations or proceedings.  - Enable the protection of consumers' interests (financial and otherwise).

Co-ordinated Oversight and Minimisation of Duplication of Effort

- (f) The parties will co-operate where appropriate in coordinating oversight and investigation to achieve the regulatory objectives as set out in the Legal Services Act 2007.
- (g) Where one party identifies that the other party may have a proper interest in issues, persons or bodies subject to an investigation within its regulatory remit, the Identifying party will discuss whether exchange of Information is appropriate with the other party. Proper purposes may also include further lawful disclosure of the information such as to persons under investigation, witnesses, legal advisers, persons subject to intervention, other regulators, professional bodies, prosecuting bodies and law enforcement agencies including the police, HMRC and the National Crime Agency (or any successor body).

Investigation and Enforcement

- (h) CILEx Regulation and ACCA recognise that there are areas in which they have complementary functions and powers. They will therefore endeavour to ensure that in these cases, the most appropriate regulator will commence and lead investigations. To the extent permitted by law and having regard to their respective powers, expertise and resources, they will seek to ensure that in cases of investigations, CILEx Regulation and ACCA will notify each other of significant developments where the other is likely to have an interest, upon receipt of any request to do so from the other party.
- (i) CILEx Regulation and ACCA may refer a matter for action if the other party is considered more appropriate to deal with the matter. Any such referral will include the action sought and the legal powers it considers are available to the other. Where the other party determines not to proceed, an explanation will be provided, where possible.
- (j) Where CILEx Regulation and ACCA agree that an investigation should be carried out by both parties, they will consider whether the particular facts of the matter, as they are known at that time, suggest that one party's investigation should proceed before the other party's investigation.
- (k) The parties will endeavour to give the other appropriate notice of any press release or other public statement it intends to make relating to enforcement cases in which the other may have an interest, no later than 24 hours prior to publication unless there are overriding reasons which prevent or delay such notice.
