

## CILEx Regulation Compliments 2021

Thank you for sorting so quickly! Not sure if there is a way I can provide your supervisor with good feedback but feel free to FW this email to them to say I am very grateful for your advice and speedy work!

Thank you both so much!!!  
You have been so great throughout this process. This is the best news I have ever received on a random Wednesday

Thank you once again for all your help. You have been fabulous and you are a great asset to Cilex Regulation. Once again thank you for all your help!

Thank you so much for your help. I intend to provide your feedback via the Survey Monkey link, but I also want to thank you personally for your step-by-step guidance throughout the application process, not to mention you manually updating my CPD record and very useful info of which I wasn't even aware (e.g. the CPD reduction). Your actions were critical!

Thank you for all your help and of course to everyone at CILEx Regulation for making this possible throughout the pandemic.

Wehey! What a great way to kick off 2022, thank you so much for your help and patience and please pass on my thanks to Georgina too - she was so fantastic and keeping my anxiety in check and answering my multiple queries.

I appreciate your assistance on this matter. I sure you will not remember as you have hundreds enquiries, but your assistance throughout especially given my health issues etc have been invaluable and you are a credit to Cilex and your organisation.
